E-Statements allow homeowners to view their monthly assessment records in a secure and convenient environment. E-Statements also reduce the carbon footprint, saving resources for projects in the community. After registering for e-Statements, homeowners will be notified via email when a new monthly statement becomes available.

**Please note: At this time, the E-Statement system is a separate system than ClickPay, which processes online payment of assessments.**

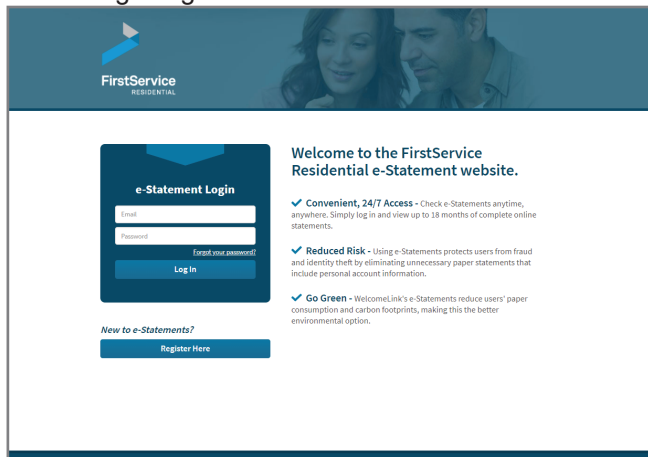

**Please visit the Resident Portal or click [HERE](#) to pay your assessments electronically through ClickPay**
