

Vegetation and Pest Management Procedure

Revised November 10, 2019

1. Landscape maintenance and Pest Management vendors shall be responsible for all applicable jurisdictional law and regulations.
2. Contractors shall seek permission to utilize chemical products. This permission shall be requested no less than 15 days prior. Landscape maintenance requests shall be submitted in writing to SAMLARC's Landscape Consultant, who will provide written authorization to the Landscape vendor and notification to SAMLARC.
3. The request shall include:
 - a. Date of Application
 - b. Location (as specific as possible)
 - c. Product Manufacturer and Name
 - d. Reason for Application
 - e. Product Label and SDS Sheet
4. Notice of Pesticide Applications may be requested and viewed at either the SAMLARC Business Office 22342A Avenida Empresa Suite 102-A, Rancho Santa Margarita, CA 92688 or the Lago Santa Margarita Beach Club 21472 Avenida de los Fundadores, Rancho Santa Margarita, CA 92688.
5. Notice of Pesticide Applications and a Schedule of all approved spray requests are available on SAMLARC.org.
 - a. SAMLARC.org will be updated each time a spray request is approved or modified
 - b. SAMLARC.org will provide Membership 15 days advanced notice of all approved spray applications.
 - c. Notifications will remain posted on SAMLARC.org for 2 days following the completion of when the spraying occurred.
6. Any public request for information regarding chemical usage shall be forwarded to SAMLARC management immediately.
7. For additional information or questions, please refer to the Orange County Department of Agriculture by calling 714-955-0100
